UK & Europe Deposit Kick Out Plan - Issue 2

Potential Return

The Deposit Plan is constructed to offer a potential return of 8.50% p.a. If on any annual observation date (including the Final Observation date), starting at Year 3, if both Underlying Indices are at or above their Initial Strike Level, the investment will kick out. Initial capital plus the coupon for each annual period which has elapsed is paid and the investment will end. If the investment does not kick out then at the Final Observation date full capital is returned.

Capital Protection

Your Initial Capital will be returned in full at maturity regardless of the performance of the Indices, subject to Deposit Taker risk.
